Fido Goes State Wide

Fido and Lady have been working hard at making some changes at Fido's the biggest changes. The reason for many of these changes is we are expanding, to cover all of Oregon.

We are working on the listings for Fido's MarketPlace, adding Pet Professionals and Dog Friendly businesses from all over Oregon. Many additional support groups/clubs from Oregon, have been added at Fido's Friends and the event calendar now lists events, state wide.

We are on the move, and if you know of a dog friendly business or event anywhere in Oregon that we've missed, we'd love to hear from you. [Let us know](#) your favorite dog friendly place in Oregon.

Pooches On The Green

Dogs and their friends are once again invited to celebrate St. Paw-trick's day at the City of Beaverton's Pooches on the Green event on March 21 from 11 a.m. to 3 p.m. in City Park (5th Street and Hall Boulevard). This year's event will feature the Sir James McDonald Pipe Band, Murray School of Irish Dancing, contests and a demonstration from the Beaverton Police K9 Unit. My Mom and I spoke with Dr. Kirschner with the 'Animal Eye Doctor' clinic in Beaverton. She was a very nice lady and I liked her a lot, she explained everything in English (okay, it's not Chihuahua) but she didn't use a lot of big fancy words I couldn't understand. She assured me that Juvenile Cataract, are not becoming more common. Dr. Kirschner assured me that most of her patients are either senior dogs, or dogs that have suffered with diabetes. We are just hearing about it more because more people are getting treatment for dogs with the condition. The surgery has advanced to a point that there is a very high success rate of the dog recovering almost all of its vision, and enjoying a better quality of life. [Read More...](#)

NEW Forum Group!
